BOUNCE EMPIRE

BIRTHDAY GUIDE

Everything you need to know about your upcoming party at Bounce Empire

BIRTHDAY JOURNEY

Your journey of birthday excellence will start with us before you have even entered, as you will have your own special VIP entrance for your entire group located on the South side of the building. We will register all your guests, check the [waivers](#), provide you with your bounce socks and escort you to an amazing award-winning birthday room, that you have for the next two hours. Here you will have your own private locker-area with delicious cupcakes on display, with our tasty bounce punch and iced water at the ready.

Gorgeous [birthday decor packages](#) are available if you wish to enhance the occasion.

Once situated, it's time for the kids to enter the most spectacular, largest inflatable park in the world. Adults will either follow in kind, or quickly work their way to the sports theater or most likely the best bar and lounge you will find in any amusement park both sides of the Mississippi. If and when it's time to eat, our 2-star trained Michelin chef prepares an incredibly popular [Mackattack](#) for the kids and/or scrumptious [appetizers](#) for the adults. We do not allow outside food or drink. The full menu is also available [a la carte](#).

Please remind all your guests to have their belongings out of the room after the two hours, as most of the time a new birthday party is eager to come on in and we must display the same courtesy for them. You can certainly ask your host if an extension is possible. We strive to make this birthday brilliance stand above all the rest for both for the children and adults alike. Enjoy!!!
